SRAPPA Members,

It is election time again! The APPA 2015 ballot is set and online for your review. Each institution has a Primary Representative and a Proxy Representative who are eligible to vote. All the candidates on the ballot are experienced, engaged members and two of them are from SRAPPA. Check out the candidate bios, platforms and videos at www.appa.org/vote and make a choice. www.appa.org/vote is also the link to the ballot so you can vote as soon as you make up your mind.

Please vote today, while you are thinking about it. SRAPPA has 235 voting members. That is more than any region but one. Let's break records this year and vote on behalf of your institution. You have a choice in the International APPA Board officers, it is important and it won't take long.

I've Voted!
