

June 19, 2015

Dear SRAPPA Members,

Spring semester is over, commencements are complete and summer is here with unusually high temperatures. The SRAPPA Spring Board meeting was held at the site of SRAPPA 2015, Baton Rouge, Louisiana. Louisiana State University is hosting the conference in Baton Rouge that promises an exciting time: "Red, Hot & Rouge, SRAPPA 2015". Registration has opened for the October 10-13, 2015 conference and you do not want to miss the programs, exhibits, hospitality and all that LSU has planned for us.

With each year comes the time where Board members complete terms in their respective positions. At the last Board meeting this week, we anticipated one vacancy that will need to be filled when your new Board is sworn in at SRAPPA '15 in Baton Rouge, Louisiana. That position is the Vice President for Chapter Affairs.

I refer you to our website (<http://srappa.org/news>) to review the position's responsibilities and the process for submitting for consideration. The Nominating Committee that will receive, review and make final recommendations to the Board is comprised of Jay Williams (Chairman; Virginia Military Institute), Dan Wooten (Tennessee State University), Al Hill (Tennessee State University), and David Hatch (North Carolina State University).

Serving on the regional Board is a great experience. I encourage you to consider this wonderful opportunity to become involved in SRAPPA.

Have a great summer.

Sincerely,

Jodie G. Sweat  
2014-15 SRAPPA President
