

Standing Rule

Voted on and approved by SRAPPA Board on October 4, 2014

Starting with the SRAPPA Conference and Annual Meeting held in Huntington, West Virginia in October, 2014, when a host institution generates a profit from hosting the annual meeting, they will receive 15% of the conference profit. The money earned will be used solely for APPA or SRAPPA sponsored professional development training opportunities and travel expenses related to said events for their SRAPPA members. The money earned will not exceed \$20,000 and must be used within three (3) years from the last day of their conference. Any funds not used within the three years will be forfeited and placed back in the SRAPPA general fund. The SRAPPA Treasurer will track the usage and payment of these expenses.
